

src/BlameWindow.h

```
graph TD; A[src/BlameWindow.h] --> B[QDateTime]; A --> C[QDialog];
```

The diagram illustrates the dependencies of the header file `src/BlameWindow.h`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two white rectangular boxes. The left box contains the text `QDateTime` and the right box contains the text `QDialog`. This indicates that `src/BlameWindow.h` depends on both `QDateTime` and `QDialog`.

QDateTime

QDialog
