

src/XmlTagState.h

```
graph TD; A[src/XmlTagState.h] --> B[vector]; A --> C[Qt];
```

The diagram illustrates the dependencies of the header file `src/XmlTagState.h`. It is shown as a gray box at the top. Two blue arrows point downwards from the bottom of this box to two white boxes below it. The left box is labeled `vector` and the right box is labeled `Qt`, indicating that `src/XmlTagState.h` depends on both of these libraries.
