

Git::CommitID::CommitID

```
graph LR; A[Git::CommitID::CommitID] --> B[Git::CommitID::assign]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'Git::CommitID::CommitID'. The right box has a white fill and a black border, containing the text 'Git::CommitID::assign'.

Git::CommitID::assign
