

WebContext::https_proxy

```
graph LR; A[WebContext::https_proxy] --> B[WebProxy::empty]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'WebContext::https_proxy'. The right box has a white fill and a black border, containing the text 'WebProxy::empty'. A solid blue arrow originates from the right side of the left box and points to the left side of the right box.

WebProxy::empty
