

Win32Process::writeInput

```
graph LR; A[Win32Process::writeInput] --> B[Win32ProcessThread::writeInput]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'Win32Process::writeInput'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Win32ProcessThread::writeInput'.

Win32ProcessThread
